COMMITTEE AGREES TO LEASE PROPERTY FOR AIRCRAFT PLANT

Tentative Arrangement Made Between Heilculode Aircraft Company and City Lands Body—Factory to Be Built on Dallas Road Property—Ratification of City Council to Be Sought

PROVIDED the City Council ratifies a tentative arrangement arrived at between the lands committee and M. E. Heilculode, on behalf of the Heilculode Aircraft Company, approximately two blocks of city-owned property, south of Macdonald Park and fronting Dallas Road, will be leased by the aircraft company and a factory built for the production of airplanes.

Meeting Mr. Heilculode at the conclusion of the City Council session in the City Hall yesterday afternoon, the lands committee decided tentatively to arrange for a lease on a twenty-year basis, at a rental of \$100 a year for the first three years, and thereafter at a rental to be arranged, plus taxes. In return, Mr. Heilculode undertook to erect a plant for aircraft construction, a start to be made within ninety days of the granting of the lease. The factory will cost approximately \$300,000 to build, he stated. Announcement to this effect was made at the close of the meeting.

OFFERS TO RENT
The proposal of the Heilculode Aircraft Company first came up for consideration before the City Council when a communication was read from Mr. Heilculode offering to rent on a ninety-nine-year lease either the land fronting on Dallas Road, which formerly belonged to the old Macdonald Estate, or the acreage belonging to the city that borders on Elk Lake.

The letter said that the plans of the company for the establishment of a factory in or near Victoria, for

DOUBT WHETHER PLANE IS LOST

Aircraft Reported Seen in Flames but None Known To Be Missing

PRINCE RUPERT, B.C., Aug. 7 (CP)—British Columbia Pilot tonight suggested that an airplane reported seen falling in flames near this northern port might have been "merely a fisheries patrol plane dipping among salmon fishing boats there."

Provincial Police here said aside from Captain Palmer's report they have "no definite indications" of any tragedy. Fisheries officials earlier said the flames might have been from a burning fishing boat, scores of which ply the waters near Lacey Island.

A fisheries patrol plane which had been cruising in the area scoured the sea for traces of wreckage after Captain Palmer's report was received, but the pilot said the water was too rough to see much of it. The Dominion Government's fisheries patrol plane Albatross, which had been cruising in the area, scoured the sea for traces of wreckage after Captain Palmer's report was received, but the pilot said the water was too rough to see much of it.

Big Sawmill At Centralia Razed by Fire

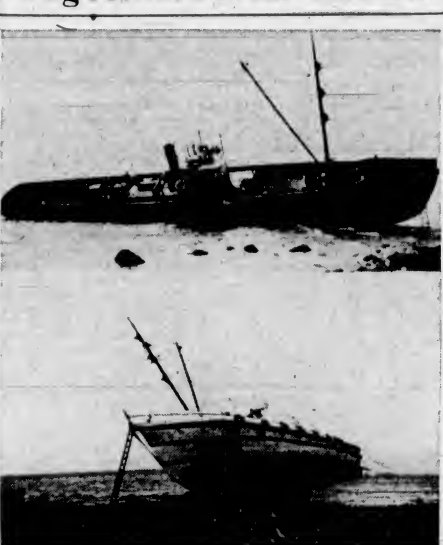

CENTRALIA, Wash., Aug. 7 (AP)—While firemen continued tonight to pour water into the smoldering ruins, State Insurance Commissioner William A. Sullivan and State Marshal Ed Smith opened an investigation into the possibility of incendiarism in the \$275,000 fire that destroyed the Eastern Lumber Mill last night.

Both officials said there were no definite clues as to how the fast-spreading fire started near the heart of the big plant.

Four firemen suffered minor injuries in fighting the blaze which destroyed the sawmill, planing mill, dry kilns and 10,000,000 feet of lumber.

Continued on Page 8, Column 7

Tug Ashore Near Comox

Pacific Salvage Company officials estimated last night that the 125-foot tug Trucilla would be refloated in shallow water inside Cape Lazo, near Comox, at the next high tide. The Vancouver Barge and Transportation Company, Ltd., craft ran ashore on Friday night while en route to Powell River with a covered barge. The tug Tarzan took the barge to Vancouver. The above photograph shows the starboard and port views of the Trucilla. Salvage equipment was sent from Vancouver.

IS DAMAGED BY ICEBERG

Freighter Strikes in Fog—Continues On to London After Check-Up

BOSTON, Aug. 7 (AP)—Barely escaping disaster when she nudged an iceberg as she crept across the North Atlantic in an early morning fog, the Canadian Pacific freighter Beaverkill continued tonight on her course for London, apparently little damaged.

She was approximately 100 miles off the coast of Newfoundland, above the most-used steamship lanes, when she struck at 2:30 a.m., P.S.T.

Such accidents have been only occasional since the luxury liner Titanic struck an iceberg in the same waters on April 14, 1912, and sank with a loss of 1,517 lives. Not a life has been lost as a result of a brush with a berg since the international ice patrol was established in 1914.

TURN TO GIVE AID
This morning's first, terse crackling radio report that the Beaverkill had struck an iceberg—most dreaded of navigation hazards in the northern seas—swung the bows of three ships toward her position.

The liner Ausonia, first to learn the 1,000-ton freighter's position, stood by as the steamship Montclair and the United States coast guard cutter Champlain, on international ice patrol, picked their way to her aid through a dense fog.

DAMAGE NOT SERIOUS
Few several hours the Beaverkill pushed slowly along, the Ausonia beside her, while Captain T. Jones checked damage to his ship.

Then the skipper reported "No. 4 double-bottom tank damaged," but his vessel's inner hull apparently intact and taking no water, and he added the reassuring note that the Beaverkill would reach London as scheduled on August 13.

That was the only word from the 503-ton vessel, out of Montreal with a crew of seventy-four.

Four Killed By Fall of Army Plane

EASTBOURNE, Sussex, England, Aug. 7 (CP)—Three army flyers and a woman died today when a twin-engine Royal Air Force bomber crashed into the sea at the foot of a high cliff in dense fog three miles southwest of here.

The woman victim was a member of a party of holiday hikers.

The dead flyers were identified as Sgt. Harry D. Terry, Farrow, pilot; Acting Sergeant Alfred J. Sergeant and Leslie Phillips, air-craftsman, second class.

Hon. E. W. Hamber Has Full Marks In Driving Test

HON. E. W. Hamber, Lieutenant-Governor, set an example for users of the roads yesterday when he passed the provincial driving tests at the licensing office with 100 per cent. His Honor visited the licensing office in the afternoon and took all the tests to which motorists are now submitted. Incidentally, the examination of the Lieutenant-Governor coincided with the start of the city Safety Week campaign.

PACT ISSUE IS REVIVED

Japanese War Minister Demands That Cabinet Consider Alliance With Axis

TOKIO, Aug. 8 (CP-Havas)—Premier Kichiro Hiranuma will confer with key ministers today on the question of Japan's adherence to the Rome-Berlin military pact, an issue which nearly split the Cabinet in June.

Discussion of this controversial issue was said to have been forced by General Seishiro Itagaki, War Minister, who called on Baron Hiranuma late Sunday night.

The War Minister was understood to have reiterated the demand of the principal army leaders that the alliance issue be once more placed on the agenda for an immediate decision.

Yesterday Itagaki consulted with Admiral Mitsumasa Yonai, the Navy Minister, and demanded his active co-operation in pressing a similar demand from the navy.

DEMANDS ADHERENCE
Pressure also came from another source today when Baron Hiranuma received a petition from the Social Masses Party, formerly Leftist and Labor, but now ultra-Nationalist, demanding immediate adherence to the Western axis alliance.

A Foreign Office spokesman would only say that General Juichi Trauchi, due to attend the Nuremberg Congress as Chancellor Hitler's guest, will not conclude the alliance negotiations.

OPPOSED BY CIVILIANS
If Itagaki's demand results in re-opening of the axis pact issue before the Cabinet, political tension is expected since there is strong opposition to the army's demand among the civilian ministers. This opposition is based on fear the Japanese military commitments to the axis would possibly bring the country into simultaneous conflict sooner or later with Great Britain, France, Russia and probably the United States.

MAY ARBITRATE FERRY STRIKE

Strikers and Operators Are Called Into Conference By Federal Mediator

OLYMPIA, Aug. 7 (AP)—Governor Martin, of Washington State, and W. T. Owens, Pacific Coast mediator for the United States Maritime Labor Board, called upon strikers and ferry boat operators to arbitrate their differences here tomorrow.

The request was the apparent result of the descent upon the state capital today of several hundred ferry boat users from Bainbridge and Vashon Islands, Indianola and Bremerton, who demanded "immediate resumption of ferry service and arbitration of differences after service is begun."

CALL NOT SATISFACTORY
Paul Billingsley, of Vashon, member of the ferry users' committee, said the call for arbitration is not satisfactory generally to the ferry users, many of whom have been marooned on the islands or the peninsula because of the strike; but that it was "accepted with interest, and not much enthusiasm."

It is imperative that ferry service be restored without delay, said the arbitration statement, "not only for convenience of the people who reside on the islands and peninsula but for the good of the ferry business and the men employed in that industry."

PUPIL AND TEACHER DROWNED TOGETHER
BRACEBRIDGE, Ont., Aug. 7 (CP)—Morden Crockerford and Thomas Traves, both thirteen years old, were drowned in the Muskoka River on Sunday. Crockerford was teaching Traves to swim when the pupils got beyond his depth. Crockerford went to his aid, but was pulled under by the struggling Traves.

THUNDERSTORM BRINGS DEATH AND RUIN TO EASTERN CITIES

Sweeps Down Valley to Montreal Leaving Trail of Damage—Three Killed in City, Seven Near Drowning When Caught in Boats by Gale on Lake St. Louis

Wind Strews City's Streets With Debris; Drains Clogged

MONTREAL, Aug. 7 (AP)—A "flash" electric storm that swept down from the Ottawa Valley to Montreal brought death to three persons late today and left a trail of minor damage in its wake.

The deluge, accompanied by strong winds, lightning and thunder, lasted only an hour, but two messenger boys and a cyclist were killed in Montreal, cellars were flooded there and at Ottawa, trees blown down and power service disrupted. At Ottawa a foot of water flooded the basement of the Houses of Parliament.

Three persons were stunned when lightning struck at Chateaufort, Ont., thirty miles southeast of Ottawa. In Lake St. Louis, between the Island of Montreal and the mainland, seven persons were rescued from possible drowning when the gale caught them offshore in small boats.

Daniel Oliver, eighteen; Robert Barrett, seventeen, and George Boucher, forty-nine, were killed at Montreal, where the downpour ended after half an hour.

STRUCK BY LIGHTNING

Oliver, a Canadian Pacific Telegraphs messenger, was struck by lightning as he took shelter under a tree. Barrett, grocery store boy, touched a broken power line and was electrocuted, and Boucher died from a fractured skull after being knocked from his bicycle by a truck whose driver, police said, had his vision obscured by the rain.

A sixty-mile-an-hour gale blew across Ottawa, covering streets with broken glass and tree limbs. The debris clogged sewers and about seventy cellars were flooded.

Dwaine Froula, nineteen, was unconscious several hours after a bolt of lightning struck near him, his father and Teddy Fawcett, on the Fawcett farm at Chateaufort. The senior Froula and Fawcett were stunned only momentarily.

SEE MAN FALL FROM BRIDGE

Passengers on Vancouver Ferry Report Plunge From Suspension Cables

VANCOUVER, Aug. 7 (CP)—An unidentified man plunged more than 300 feet from supporting cables of the new Lions Gate suspension bridge early tonight into the swirling tide-rips of the harbor entrance, and police began dragging operations in search of his body.

Passengers on a West Vancouver ferry watched the man climb almost 200 feet above the traffic deck of the bridge before he fell.

The traffic deck of the bridge is supported from two suspending cables by a series of double wires, each pair connected by metal rods like the rungs of a ladder.

CLIMBS UP RODS
Eye-witnesses on the ferry said the man climbed up the rods near the south bridge tower, nearly 400 feet high, before his fall.

Many of the passengers said they thought he was a bridge workman and were concerned as they watched his climb.

None of the bridge attendants or employees of the Marine Signal Station above the centre of the high-level span noticed the man's climb.

Several small craft, in addition to the ferry, were passing through the narrows at the time, but apparently no one on those vessels saw him fall.

Two Perish In Freak Accident

San Bernardino, Calif., Aug. 7 (AP)—An 1100-foot section of four-inch gas pipe became a roaring whip of death today when it tore down a mountain at a speed workers said was nearly a mile a minute.

The freak accident today cost two lives. Two other persons, critically injured, may die.

Killed when the welded pipe shot through her automobile was Mrs. Rose Arnold Rose, forty-six, Long Beach, Calif.

Grant Allison, seventy-one, who drove to the scene, dropped dead as a heart attack when he saw Mrs. Rose's body.

Mrs. Rose's housekeeper, Ann McDonald, twenty-five, riding in the automobile, was perhaps fatally injured. Henry Dutton, a workman, was tossed 100 feet into the air by the pipe. His back was broken, and physicians said he, too, may die.

The pipe was being lowered by cables, which broke.

Attacking Force to Strike From France In British Air Test

Sir John Simon Expresses Confidence, Strong Heart and Cool Head of British People on Eve of Vast Manoeuvres

LONDON, Aug. 7 (CP).—Royal Air Force squadrons will make mass flights over France for the first time during air exercises beginning tomorrow night. Bombers of an "attacking" force will fly south as far as Beauvais, fifty-four miles northwest of Paris, before turning back to England to simulate raids on the area designated by military authorities as the "Westland" in the manoeuvres.

Other bombers of the "Eastland" attacking force will wheel over the North Sea testing defences against imaginary raids from the direction of Germany.

The night flights will follow two daylight mass demonstrations by Great Britain over France this Summer.

A blackout of London Thursday night will be a feature of the Air Force exercises which end on Friday.

More than 60,000 men will be employed in the tests involving 1,300 aircraft, anti-aircraft guns, searchlights and balloons.

EXPRESS CONFIDENCE

Sir John Simon, Chancellor of the Exchequer, expressed confidence today that the "strong heart and cool head" of the British people will see this business through.

He spoke at a garden party at Blenheim Castle, seat of the Duke of Marlborough, in Oxfordshire.

Sir John said that he believed "we would do much more to help our country and strengthen her influence abroad by putting some confidence in (Prime Minister) Mr. Chamberlain and (Foreign Secretary) Lord Halifax than by trying on every occasion to pick holes in what they say."

"Freedom of speech is essential to democratic liberty, but it imposes also a grave responsibility," Sir John said.

"Yet there is one reflection on the past which will not be out of place. You hear criticism of the Prime Minister's action at Munich last September. Even some of those who were most unrestrained in their gratitude to him then are most vehement in denunciation of him now."

But ought we not to ask ourselves how things would have worked out if Mr. Chamberlain had not reached an agreement at Munich?

CREDIT DUE TO PREMIER

"Here is this cheerful holiday crowd which, in spite of a year of constant anxiety, is still living in peace. They owe that peace to Mr. Chamberlain's effort, and to the fact that he has formed an understanding which would have been the strongest guarantee for future peace. It was not kept and the policy we have pursued is due to that fact."

News from South Africa says that "domestic" is a disease that attacks sheep and makes them spin in circles.

In Canada that's known as a trouble of politicians.

TWEED COATS

New Coats for early Fall are arriving daily. Lay away your coat now for the days later when you will need it. Selection of styles and cloths are at their best now—either furled or unfurled styles. Prices start at \$19.75 up to \$49.50

FILLS NEED AT RURAL SCHOOLS

"Teacherage" Supplies Home for Teachers in B.C. Frontier Settlements

A "TEACHERAGE"

Of comparatively recent inclusion in the language, the word "teacherage" was frequently used by several rural school teachers who attended an informal tea held just before the Summer School of Education dispersed.

"Teacherage," it was explained, is the place where the teacher lives. A number of snapshots of such little houses were displayed and the accompanying picture, showing the school-time home of Ruth Aronson, of Cranbrook Mills School, near Prince George, is typical of teachers in isolated parts.

This house was originally the schoolhouse, but the construction of a new schoolhouse a year or two ago made the old building available as a teacher's residence. Built of logs, and within a short stone's throw of the school, it is comfortable and conveniently situated, its nearness to the school having definite advantages, Miss Aronson said. This is particularly true in very cold weather when the temperature drops to 60 or 70 degrees below zero. Almost every Winter this happens. The teacherage has been furnished by the Government, with the exception of linen, and Miss Aronson has added numerous little touches that make it attractive.

TEACHING IN THE NORTH

Miss Aronson is a Prince George girl and she goes home nearly every week-end, on skis when the snow is deep. Mrs. Lilian Aubrey, another of the Summer school students, teaches in the two-room school at Baldonnel, 400 miles from Edmonton. She reported that in her part of the country, too, Winters are long and severe, with an average of 20 degrees below zero, and occasional periods of 60 and 70 below.

For nine and a half years Mrs. Aubrey has held teaching positions in different schools in the North. Most families there, she said, came of rugged stock. With the prospect of several months of snow, low temperatures and blizzards, people early in the Winter brought out sleds, skis, snowshoes and dog teams and relied on these entirely for transportation until Spring and the Chinook winds began. Schoolchildren learned to be nimble on skis and snowshoes.

Stephen Cheeseman, who has been teaching at Haysport, twenty-four miles east of Prince Rupert, lived in the school building, he said, but this teacherage was no longer used as the school latterly had only eight pupils and has been closed. When schools reopen he will be teaching at Port Simpson.

Wilma McAlpine, of Salmu, B.C., which is between Nelson and Trail, and Mezie, McCallin, of Taghum, five miles west of Nelson, were also in the group. Miss McCallin shares a three-room teacherage with another teacher.

GOATHERDERS ARRIVE

MONTREAL, Aug. 7 (CP).—Brought to Canada to raise goats for glove-making, a group of Czechoslovakian goatherds passed through Montreal last night en route to Prescott, Ont., where a glove manufacturing firm will be operated by Anton J. Pichl, a Czechoslovakian businessman.

PENNIES FROM HEAVEN

BLIND RIVER, Ont., Aug. 7 (CP).—A week-end rainstorm brought "Pennies From Heaven" to this Northern Ontario town. Residents reported thousands of frogs fell from the skies during the storm. The frogs are worth a cent each as bait for fishermen.

STOP TIRED, ACHING FEET
NU-FEET INSOLATES medicated with salicylic, antiseptic salts, camphor, eucalyptus, menthol, and other soothing ingredients. Relieves foot fatigue, itching, burning, and other ailments. Only 25¢ a pair, at drugstores.

FIRES ROAR OVER OREGON

Dangerous Forest Conditions Also Continue in Washington and Idaho

PORTLAND, Ore., Aug. 7 (CP).—Flames roared through North-western Oregon's timberlands today, cloaking their destruction in billowing smoke, as dangerous fire conditions continued also in Washington and Idaho.

Hundreds of fire fighters battled to control the fires in the three states. State Forester T. S. Goodyear tonight ordered all logging operations in Western Washington—closed because of the "extreme fire weather forecast for Tuesday and Wednesday."

Logging operators, reported "utterly helpless," fled before the racing Glenwood—Saddle Mountain conflagration, which the wind whipped across Oregon's Tillamook, Washington and Clatsop counties. The fire was estimated at 10,000 acres last week, and it advanced four miles during the night.

RAPID DESTRUCTION

An estimated 2,000-acre fire also roared through brush and timber twenty miles southwest of St. Helens, Lower Columbia River city, burning an estimated 600 acres an hour.

Timber in extreme Northeastern Oregon was reported out of danger after a 12,000-acre spread from Washington.

A thousand fire fighters appeared to have controlled a 15,000-acre blaze which spread from the Mount Spokane region of Northeastern Washington into Idaho, consuming several homes and buildings.

One woman's death was attributed to the fire at Blanchard, Idaho, when Mrs. H. L. Melder died of a heart attack, which was attributed to excitement and fear.

Only small fires were reported in Western Washington.

California's fire situation ranged from "greatly improved; nearly under control," to "bad again."

COLLAPSES WHILE WATCHING GAMES

Andrew Murray, Eighty-Four, Resident of Victoria Since 1883, Dies Suddenly

The death occurred suddenly yesterday afternoon of Andrew Murray, 1000 Park Boulevard, aged eighty-four years, and a resident of Victoria since 1883. Mr. Murray collapsed while watching lawn bowling games in Beacon Hill Park.

A native of Carrington, Midlothian, Scotland, Mr. Murray came directly to this city from there and was engaged in contracting business here in the early days. He retired from active business in 1912.

He is survived by two sisters, Misses Agnes and Jessie Murray, at the residence, and several nieces and nephews in Victoria.

The funeral will take place from Haywards' B.C. Funeral Parlors on Thursday afternoon. The time will be announced later.

CLOSING SCORES IN O.C. CRICKET

LONDON, Aug. 7 (CP).—The touring West Indian cricketers today defeated Glamorgan by two wickets in a low-scoring match at Swansea. The Welshmen compiled a total of 127 and 159, against the visiting team's scores of 96 and 194 for eight wickets.

Close of play scores in English first-class matches started on Saturday follow:

Kent, 169 and 43 for five wickets; Hampshire, 135.
Lancashire, 217 and 23 for one wicket; Yorkshire, 163.
Gloucestershire, 329; Somerset, 72 for eight wickets.
Derbyshire, 214 and 46 for no wickets; Warwickshire, 118.
Middlesex, 234 for three wickets (Edrich, 125, not out) vs. Sussex.
Worcestershire, 264; Essex, 189 for eight wickets.
Nottinghamshire, 147 for two wickets vs. Surrey.
Northamptonshire, 300; Leicestershire, 27 for no wickets.

THOUSANDS TO ATTEND BANQUET

Continued from Page 1

sires in connection with his future political career.

Mr. Mackenzie King will be sixty-five years old next December. He was selected as a successor of Sir Wilfrid Laurier, National Liberal leader, at a convention in Ottawa in August, 1919, and has led the party in and out of office, continuously ever since.

WILL NOT ATTEND

It was learned here that Premier Mitchell F. Hepburn of Ontario and most of his ministers had definitely indicated they would not attend the banquet, but all other Provincial Liberal administrations are expected to be strongly represented.

TRAGEDY INDICATED

TORONTO, Aug. 7 (CP).—An overturned canoe found floating in Lake Ontario off suburban New Toronto led police to believe today that sixteen-year-old Irene Murphy and James Scovill, seventeen, missing since they rented a canoe early Sunday, had been drowned.

English Company Is in Market for Frozen Products

The possibility of a market in England for fruit and vegetables frozen here under the process recently adopted by the B. Wilson Company is indicated in a letter received by the company from Best Foods, Limited, Middlesex. The letter, mailed in England on August 3, was one of those brought to Victoria by the trans-Atlantic and trans-Canada air mail services.

It states that the English company is in the market for frozen vegetables and fruits, and asks that quotations be forwarded by the return air mail, which should reach England on Friday, eight days after the inquiry was mailed.

LEADS HUNTERS A LONG CHASE

Continued from Page 1

greater damage aroused authorities to new methods today. An airplane was brought into service and Elsie soon was spotted not far from where the tractor-drawn trailer, from which she escaped, had gone into a ditch.

TURNED ON PURSUERS

The hunters picked up the trail and followed her four or five miles across country. They didn't get too close, however, because Elsie turned upon three of her more daring pursuers and chased them up a tree. From then on it was a waiting game.

AUTO CLUB MEETING

There will be a meeting of the British Columbia Automobile Sports Association at the "British Public Schools" Club this evening at 7:30. All members are asked to be on hand, as important questions will be dealt with.

BISHOP BURIED IN OLD DIOCESE

Rev. Walter Burd Laid to Rest at Prince Albert—Passed Away Here

PRINCE ALBERT, Sask., Aug. 7 (CP).—The second Bishop of the Diocese of Saskatchewan to be buried in St. Mary's Cemetery, Rev. Walter Burd, retired since March, was buried here today in the presence of many of the clergy and a small group of citizens. He died in Victoria last Wednesday.

St. Albany's Cathedral was filled. Canon W. S. Noble was in charge, assisted by Ven. Archdeacon G. H. Holmes and Canon J. I. Strong. In deference to the wishes of Bishop Burd, the service was simple as possible.

ATTEND SERVICES

Mayor G. E. Brock and the city council and members of the Canadian Legion attended the services. More than a score of clergymen were present from the diocese as Legionnaires lined up outside the cathedral before the funeral procession left in tribute to the bishop who had served under arms in the Great War when he was a theology student.

Captain L. S. Daynes, who accompanied the body from Victoria, represented the family.

Archdeacon Paul conducted the committal service in St. Mary's. Bishop Burd was buried beside his first wife who died in 1937.

CYCLIST IS KILLED

CEDARS, Que., Aug. 7 (CP).—Demers Gagne, sixteen-year-old son of Horace Gagne, president of the Quebec running streams commission, was killed today when his bicycle was struck on the Montreal-Toronto Highway near here by an automobile driven by Russell H. Boruss, of Spencer, Ind.

Charles Morton To Retire From City Hall Post

A. R. C. Morton, known in sporting circles throughout the city as "Charlie" Morton, tendered his resignation to the city engineer yesterday. His letter of resignation stated that he was retiring from his position in the city engineer's department for health reasons.

Mr. Morton's voluntary efforts in sports organization in the city have been unique. One of his early contributions to the sporting life of Victoria was the coaching of the Victoria Rugby representative team, which he took over some years ago with Ernest Butterworth. The efforts of the two men were successful in producing a team that soon became McKee-Cup champions. He also coached the 5th Brigade team, and met with a like degree of success, bringing the squad to championship status. When the 5th Regiment's entry in the senior Rugby league was disbanded, he continued to take an interest in the inter-city competitions.

In track and field sports, Mr. Morton has taken a lively interest, and his efforts were largely responsible for the organization some years ago of the British Columbia track and field championships at Macdonald Park by the Victoria Civic Federation. He has also been active in boxing and basketball circles in the city.

Mr. Morton expressed regret that he was forced to leave his position at the City Hall. He asked that his retirement should go into effect at the end of September.

PIONEER BROKER DIES

WINNIPEG, Aug. 7 (CP).—George R. Rutlan, fifty-nine, pioneer Winnipeg grain broker, died at his home here yesterday. Born in Kingston, Ont., he came to Winnipeg in 1901. During the Great War, Mr. Rutlan was a member of the staff of the Board of Grain Supervisors.

SAFETY WEEK DRIVE BEGINS

Police Car With Loud Speaker Draws Attention To Traffic Violations

Aiming to keep Victoria free from accidents of any kind for one week and to educate motorists, pedestrians and cyclists in the proper observance of traffic by-laws, the city police yesterday launched their "Safety Week" campaign, under the direction of Chief J. A. McLellan. While a prowler car equipped with a public address system patrolled the city streets drawing attention to infringements, additional policemen were stationed at busy intersections to check pedestrians who were inclined to cross before the green light was in their favor, and to regulate motor traffic.

Sergeant Arthur H. Bishop was at the microphone in the prowler car during the day, and publicly drew attention to exhibitions of bad driving and parking, and to "jay-walking" on the part of foot passengers, at the same time appealing to the public for strict observance of the by-laws, to make the streets safe.

Placards placed at intersections cautioned pedestrians to use the crossing lanes and to wait for the green light.

The campaign will continue until the end of the week. Tonight Chief McLellan will give a second broadcast from CPCT, at 6:45 o'clock, in the interests of public safety.

"Why did you leave your last post?—Was there a quarrel?"

"Oh, no, madam. I just locked the lady into the bathroom, threw the key out of the window and came away perfectly calmly."

PIKE HARD ON DUCKS

THE PAS, Man., Aug. 7 (CP).—Northern pike, known as jackfish, destroy 75 per cent of young ducks in some areas of Manitoba. Dr. A. S. Bakow, Winnipeg aquatic biologist, said today on his return from a tour of inspection of Northern Manitoba, on behalf of Ducks Unlimited.

OR IN ORDINARY HAND SHOVELS

Canadian Nickel

CHECKS WEAR AND CORROSION

A MIGHTY POWER SHOVEL burrows into the earth and noses its way among rocks and boulders. Its dipper teeth, gears and other vital parts are of Nickel Alloy Steel to stand up under abrasion and sudden shocks.

Hand shovels too are made of Nickel Alloy Steel to give light weight, strength, and resistance to abrasion. "Monel" shovels (2/3 Nickel plus 1/3 Copper) last ten months in handling acid-saturated ore, where iron shovels lasted ten hours.

Nickel Alloys are one of industry's most important

tools where extra strength, toughness and resistance to wear and corrosion are required. And still International Nickel engineers contact industry the world over seeking new uses where Nickel can bring new economies. For Nickel is of no value to Canada until it is mined, smelted, refined—and sold. The production of Nickel from Canadian mines, smelters and refineries not only provides employment for thousands of Canadians; when purchased for the peaceful pursuits of industry throughout the world, it is a vital factor in our export trade.

You are invited to write for a copy of "THE NICKEL" industry in 1938

BEER PARLORS ARE OPPOSED

Professor E. S. Farr Elected Chairman of Citizens' Committee at Meeting

For the purpose of opposing the movement to have beer parlors licensed in the city of Victoria, the Citizens' Committee held an organization meeting in the school room of the Metropolitan United Church last night. There was a large attendance at the meeting, which elected Professor E. S. Farr chairman of the committee.

The meeting felt that the establishment of beer parlors here would lower the moral tone of Victoria. The committee also felt that the facilities in Victoria at present were adequate and that licensed premises were close at hand in Esquimalt.

H. A. Benfrie was elected secretary and the following committees were chosen: Finance, A. E. Mallett (chairman), Capt. George McGregor, A. S. Denny and G. H. Stevens; publicity, D. M. McCall (chairman), J. W. Gibson and Rev. Norman Cross; transportation, J. O. Welch; executive, F. J. Schroeder, Dr. Olga Jardine, Mrs. George Guy, Mrs. M. C. Wilkinson and Adjutant Charles Watt.

The various committees will report back to another general meeting next Monday evening in the Metropolitan schoolroom.

BROTHERS SHATTER LIGHT PLANE MARK

SPRINGFIELD, Ill., Aug. 7 (AP)—Hunters and Humphrey Moody took a light-plane endurance flight record and a four-day growth of blond beard to bed with them today.

The brothers landed their little monoplane, Miss Springfield, at the municipal airport last night at 8:46 o'clock (P.S.T.), 343 hours and 46 minutes after they took off on July 23.

Grinning, stoutly declaring they could have gone on "that much longer," they nevertheless went immediately to a hotel, where a "do not disturb" sign and two policemen guarded their door. They were so cramped, because they couldn't stand up for two weeks in the plane, that friends half carried them to an automobile.

An electrical storm brought them down. It had been brewing for several hours and rather than chance a mishap they landed when it broke.

CANDIDATE STILL MISSING

EDMONTON, Aug. 7 (AP)—Efforts to locate Michael Luchkovitch, former United Farmers of Alberta member of Parliament for Vegreville, have proved futile so far.

Mr. Luchkovitch, candidate of the C.C.F. in Vegreville constituency for the expected federal elections, disappeared from his home here on July 28. Efforts to locate him have been unsuccessful.

City Officials Are Authorized to Assist In Redrafting Form

Oak Bay Municipality Also Approves Recommendation of Transportation Committee—Royal Visit Mementoes Precipitate Discussion

WITHOUT discussion, the City Council yesterday afternoon agreed that the city solicitor and the city clerk should confer with similar officials from the other municipalities to redraft the proposed franchise tender form, as recommended by the Greater Victoria inter-municipal transportation committee.

A letter was read from the Oak Bay Municipality advising that it had authorized its officials to act as requested, and pointing out that it regarded the inter-municipal committee as a consultative body only, without power to act.

Considerable discussion was precipitated by a letter from Alderman B. J. Gadsden regarding Royal visit mementoes, asking where they were and who was looking after them. The city clerk had informed him that the pen, stand, blotter and scarf were in the vault; the table was back in the store from which it had been rented; the visitor's book was in the Mayor's office, and the autographed picture of the King and Queen was in the possession of the Mayor.

Mayor McGavin: "And it is going to stay in the possession of the Mayor."

MEMORIALS KEPT
Alderman Gadsden said that his object in writing the letter was to make sure that someone was looking after these mementoes. He thought the table should be retained and suitably engraved, and the mementoes kept complete until the archives are set up. Later in the meeting he moved that the city clerk be made the custodian of the mementoes and that the table be purchased.

Mayor McGavin thought "a lot of nonsense" was being talked about the Royal visit souvenirs. "The only things of value are the book and the picture, and if there hadn't been such a fuss, I would have been very glad to return what is in my possession," he declared.

After considerable argument by aldermen about where archives would be kept, Alderman Gadsden said: "I don't see any dignity in making a fuss of this. The table was borrowed at a cost of \$25, and I think it should now be purchased. As far as the archives are concerned, they can very well be kept in a corner of the Mayor's office until a museum is established."

CITY CLERK RESPONSIBLE
It was agreed that the city clerk be made responsible for the safety of the Royal visit mementoes. It was also decided that Alderman Gadsden be authorized to find out at what cost the table could be purchased. As an outcome of this discussion it was resolved that the pictures of former councils that previously adorned the walls of the council chambers, be put back in their places.

A letter from the Saanich Municipality asking the chairman of the health committee to go with the Saanich Council on an inspection tour of the Gorge waters and point out where pollution is entering the waters from Saanich, was referred to the health committee.

Another letter from the Saanich Municipality stating that it was willing to co-operate with the city of Victoria in approaching the Dominion Government to have the Gorge water opened, was referred to the legislative committee.

Esquimalt Municipality preferred not to take part in any controversy in the Saanich sewer question, the council was advised by letter. Esquimalt considering it was a matter that appeared to be within the jurisdiction of the provincial health authorities.

FINANCE COMMITTEE
The council accepted the recommendations of the finance committee that four resolutions relating to the de-registration of municipal bonds, the re-issue of lost bonds, powers of licensing, and the establishment of parking meters, be adopted for submission to the Union of British Columbia Municipalities convention in September.

It was also decided to recommend to this convention that the intervening period between nomination day and election day be the same for general elections and by-elections. "It is very confusing to electors, when a general election and a by-election are to be held the same day, that the periods between nomination day and election day are different," Alderman W. L. Morgan said.

The council also decided to recom-

ENGLISH AIR MAIL SPEEDY

Imperial Airways Flying Boat Caribou Crosses in Thirty-Three Hours

BOUCHERVILLE, Que., Aug. 7 (CP)—Canada and Britain co-operated today to trace a fifty-hour Empire air line from Europe to the Pacific Coast. As the climax to five years' careful planning, the aerial bond between the Dominion and the Mother Country finally was fastened at this drowsy French-Canadian town late yesterday, when the flying boat Caribou landed on the St. Lawrence River after a thirty-three-hour flight from Southampton.

It was the first regular weekly air mail flight between Britain and Canada. Mail from the Caribou was transferred to St. Hubert Airport and the regular Trans-Canada Air Lines service resumed its normal schedule with it shortly after noon today.

Thundering through a late afternoon haze that hung over the river fifteen miles below Montreal, the Caribou landed on the St. Lawrence River after a thirty-three-hour flight from Southampton.

PLANE REFUELED
Captain J. C. Kelly Rogers and his crew of four stepped ashore while the plane was being refueled for the flight on the final lap to Port Washington, N.Y., and they were greeted by Transport Minister Howe and S. J. Hungerford, president of Trans-Canada Air Lines.

Captain Kelly Rogers, a huge Irishman who is rated one of the world's most competent pilots, described the flight as exceptionally long but one in which there was no serious difficulty. The plane was three hours behind schedule.

Rain and fog slowed the huge four-motor plane down to less than thirty miles an hour over sections of the ocean hop. In mid-ocean, the Yankee Clipper passed the Caribou on a west-to-east flight and Captain Kelly Rogers said "they sure must have been laughing at us poking along and barking the wind, which was at their tail."

Obituary

SETTERINGTON—After a lengthy illness, there passed away, Saturday afternoon, Mrs. Margaret Jane Setterington, born in Quebec.

Mrs. Setterington, who was seventy-one years of age, had resided in this city for the past sixty-five years. She is survived by one daughter, Mrs. Alma Jolley, Seattle; three sons, George, Frank and Albert, Victoria; four brothers, Charles Stewart, Ottawa; R. B. Stewart, Allan and Harry Stewart, Vancouver; two sisters, Mrs. J. J. Webb, Victoria, and Mrs. E. Hunter, Vancouver; also a granddaughter, Berna Jolley, Seattle, and a stepdaughter, Mrs. Charles Herbert, Kingston, Ontario. Funeral services will be held Thursday afternoon at 2 o'clock from the S. J. Curry & Son Funeral Home. Rev. P. C. Hayman will officiate and interment will be made in the family plot at Ross Bay Cemetery.

ROADS CONVENTION
An invitation from the Canadian Good Roads Association to send delegates to the annual convention in Quebec, in September, was received and filed. An invitation to the mayor to attend the Scottish Day festivities at the San Francisco Fair, on August 28, was referred to Mayor McGavin.

The council accepted an invitation from the Vancouver Island Swimming League to attend the gala day at Thetis Lake on August 26, and as many aldermen as possible were requested to attend.

REQUEST FOR GRANT
"As far as the city is concerned, I don't think we can do anything," said the mayor, referring to a request for a grant to assist the Canadian Scottish Pipe Band to attend Scottish Day at the San Francisco Fair. The mayor pointed out that the city had already assisted the band to go to the Tournament of Roses at Pasadena at the New Year. The request was referred to the finance committee.

A communication from A. J. Morley, 1248 Montrose Avenue, repeating a former request for sewer facilities for six lots facing Topaz Avenue, between Blackwood and Jones Streets, was referred to the public works committee.

It was resolved that a by-law be drawn to provide that no parking be allowed on the west side of Menzies Street for fifty feet north of Niagara Street.

The public works committee was authorized to confer with the Imperial Oil Company with a view to the company proceeding with the proposal of a few years ago to establish landing floats for boats and gasoline launches in Victoria Harbor, in front of the Caseway Service Station.

Messrs. Erway, Boston, Holden & Company, city auditors, were appointed to audit the accounts of the board of school trustees for 1939.

was held at the residence by Rev. W. P. McRae, of Vancouver, an old friend of Mrs. Brooks. At 3 o'clock Rev. Thomas Keyworth, assisted by Rev. W. P. McRae, conducted service at the United Church, Shady Creek. The honorary pallbearers were Frank Verdier, L. Hagan, John Thompson, W. D. Michell, George Dawson and H. Richardson. The active pallbearers were R. Morry, Joseph L. James, Wright, W. F. H. Brooks, J. W. Brooks, James L. Brooks and Thomas A. Brooks, grandsons of the deceased. Interment was in the family plot, Shady Creek Cemetery.

JENNINGS—Funeral services for Kester Jennings took place yesterday at 2 o'clock from the chapel of Sands Mortuary, Limited. Rev. Canon F. A. P. Chadwick conducted the service during which Mrs. Nancy Barr sang the solo, "Beautiful Isle of Somewhere," and "Abide With Me." Many beautiful floral offerings covered and surrounded the casket. The following past chief rangiers of Court Northern Light acted as pallbearers: A. E. Holmwood, J. Williams, J. Fenerty, W. Christie, C. G. Johnson and D. C. McDowell. Interment was in the family plot in Ross Bay Cemetery, where graveside services were conducted by L. Fletcher, past chief ranger.

DAVIES—Funeral services for Mrs. Harriet Edie Davies took place yesterday at 3:30 o'clock from the chapel of Sands Mortuary, Limited. Rev. T. Menzies conducted the services, during which Frank Tupman sang the solo, "Goin' Home," and the congregational hymns sung were "Safe in the Arms of Jesus," and "My Faith Looks Up to Thee."

A large number of beautiful floral offerings covered and surrounded the casket. Pallbearers were Will Davies, Cecil Davies, J. Hedley, T. Wallace, W. G. Edgeron and C. Deighton. Interment took place in Royal Oak Burial Park.

BALLANTYNE—Funeral services were conducted in McCall Bros. Funeral Chapel yesterday afternoon for Archibald Ballantyne, F. R. G. Dredge conducted the services, during which the hymn, "Jesus, Lover of My Soul," was sung. Pallbearers were: T. S. Moffit, R. Colgrave, J. Watson, G. Finn, H. Hadland and W. H. Dugan. Interment took place in the Royal Oak Burial Park.

VICTORIAN IS CRASH VICTIM

Leslie Phillips, Aged Nineteen, Killed in Royal Air Force Accident

Leslie Phillips, a Victoria boy, was killed in a Royal Air Force airplane crash in England yesterday, his parents, Mr. and Mrs. P. Phillips, Sevenoaks Road, were informed in a telegram received yesterday afternoon. No details of the accident were given. Mr. Phillips, who was nineteen years of age, was a wireless operator in a Blenheim bomber.

He enlisted in February, 1938, as a wireless telegraphist, and had been stationed at Watlington, Suffolk.

Mr. Phillips was educated at MacKenzie Avenue School, Saanich, and Victoria High School. For three years he was a member of "V" Company, Second (M.G.) Battalion, Canadian Scottish Regiment, holding the rank of corporal.

In addition to the parents, he is survived by one sister, Mrs. Joyce Taylor, also of Victoria.

CONSERVATIVE PICNIC

A basket picnic for all Conservative families and their friends will be held at Queens Park, New Westminster, on Saturday, beginning at 2 p.m., it was decided at a meeting held in the Royal City recently.

No Diminishing of Acute Fire Hazard Throughout Interior

Forestry Officials See Little Chance for Easing of Acute Conditions on Mainland—All-Out Breaks on Vancouver Island Controlled

By The Canadian Press

BRITISH Columbia forestry officials saw little hope yesterday of a break in the weather and an easing of an acute forest fire hazard throughout the province. The most serious fires are in the interior, officials of Vancouver forest district reporting all blazes in the southern coast area and Vancouver Island under control.

An unoccupied house was destroyed and a gasoline station and a store at Blueberry, B.C., on the Trail-Castlegar Highway in the Kootenay district, were menaced during the week-end, but the blaze, believed incendiary, is now under control. Three hundred men were sent to fight the outbreak but some may be withdrawn tonight.

ONLY SLIGHT RAINS
Slight rains reduced slightly the danger of fires spreading in Kamloops district, where a series of incendiary fires have been reported. Most serious blaze in the district is at Tappen, seven miles north of Salmon Arm, where 135 men are fighting a fire whipped out of control by strong winds last Friday night.

Four outbreaks were reported in Vancouver district over the week-end, the largest being on No. 11 Indian Reservation at Nitinat Lake, on the west coast of Vancouver Island. Forestry officials said they were checking the possibility of incendiary in connection with this blaze.

The outbreak, burning in 300 acres of slash behind Cowichan Lake, was reported controlled.

Slight damage resulted from a fire which started on Saturday afternoon near Young Lake, at Sooke, B.C., on the Jordan River Road. The fire spread through eighty acres of slash and a small area of felled and bucked timber. Thirty men were sent to fight the outbreak.

SMALL FIRES
Small fires occurred at Cultus Lake in the Fraser Valley and on Watt Creek, close to the international boundary south of Cultus.

The former outbreak was extinguished Saturday night and a small crew was reported working on the second blaze.

Showers eased the situation near Mount Revelstoke over the week-end, and although several spot fires were reported, none was believed serious.

The fire at Blueberry, reported "stubborn," covers five square miles. Foresters said high winds still sweep the flames across the entire mountain side.

ELECTING SUCCESSOR TO GENERAL BOOTH

LONDON, Aug. 7 (CP)—Members of the Salvation Army high council will gather in London next week to elect a successor to General Evangeline Booth, seventy-four-year-old international commander. The election will take place next Tuesday. General Booth has reached the compulsory retirement age.

INCREASE SEARCH PARTY

MONTREAL, Aug. 7 (CP)—Officials of Dominion Skyways said today that three planes had been added to the five in use in the search for two men missing since July 3 on a 250-mile flight in Northeastern Quebec. The search for Pilot Cliffré Frechette, of Quebec, and Radio Operator Edward Gagnon, of Montreal, is being hampered by fog and bad weather.

WHEAT PRICES

Recently the price of wheat fell to the lowest level on record, the steady process of decline having been in progress for many months. This is a situation which not only affects the countries of production, but also all other countries which sell manufactured goods, because there is smaller purchasing power among the large number of agriculturists of wheat areas. The decline in the price of the commodity is regarded as being due to a heavy surplus of stocks. What has happened was foreseen at the end of last year. In January the International Wheat Advisory Committee appointed a small committee to discuss some remedy to be submitted to a world wheat conference. Seemingly no agreement has yet been reached.

The normal carryover of world stocks is about 600,000,000 bushels. Last year it was 630,000,000. This year the anticipation is that the carryover will be 500,000,000 bushels more, or nearly double what is regarded as a healthy commercial surplus. The situation, according to The Times, London, does not indicate the likelihood of amelioration unless there is drastic action to restrict production and to stabilize prices. World production this year will be lower than for some years, but not sufficient to reduce the huge surplus stocks overhanging the market. In Canada a big crop is anticipated, bigger than for some years, and this country, despite a guaranteed minimum price established by the Federal Government, is as deeply concerned as anywhere about what amounts to a crisis.

The Times says: "There were hopes that the growing demand in the East might bring about a permanent improvement. This hope was shattered by the Japanese invasion of China, and the consequent check to the rise in the standard of living over a great area of the world from which so much had been expected. Prices have now fallen once more to unremunerative levels, less than half of what they reached last year, and not much more than a third of what they were in April, 1937, and the governments of the four countries principally affected—the United States, Canada, Australia and Argentina—are gravely concerned for their farming populations."

Every country has misgivings about putting restrictions on the production of wheat. At the World Economic Conference of 1933 such a policy was described as "a terrible one" to accept and one implying "an attitude of almost intolerable pessimism." The immediate future of wheat will be affected by political developments. If the international situation improves a considerable portion of the carryover might find a market. A continuance of the present tension will add to the reserves of the commodity. It is widely recognized that it is desirable that a world agreement on measures for improving prices is necessary. The assumption is that it is the international situation that prevents the gathering of a world wheat conference for general discussion and immediate help. The problem definitely calls for immediate action. It may be recalled that the fall in the price of wheat in 1931 was a pronounced factor in intensifying the depression that then had the world in its grip and from the effects of which the world is still suffering.

FREE POLITICAL BROADCASTS

The decision of the Canadian Broadcasting Corporation to provide network broadcasts for politicians in the forthcoming Federal election campaign, free of cost, may to some extent relieve the newspapers from the onus of reporting political speeches. It is the candidates of the "national political parties" who are to be given this privilege. It seems, however, that it is not altogether clear to the C.B.C. as to what a national party is. It suggests the following as a definition: (1) That it should have policies on a wide range of national issues; (2) That it should have a recognized national leader; (3) That it should have a nation-wide organization established as the result of a national conference or convention; (4) That it should seek the election of candidates in at least three of the provinces, having a minimum number of sixty-one officially nominated candidates in the field; (5) That it should demonstrate by the nature of its campaign that it has attained national proportions and significance.

The foregoing would seem to imply that the free political broadcasts could not commence until after the day of nominations, for until then the C.B.C. would be unable to define in an official way what a national party is, that is if it sticks to the requirement that such a party must have at least sixty-one candidates in the field. The regulations, however, prescribe that the broadcasts will start on dissolution of Parliament. The C.B.C. would be assured before the day of nominations that the main political parties, Conservatives and Liberals, will have the required number of candidates, but in the matter of free broadcasts all parties would expect to start from scratch, in other words, to begin their broadcasting at the same time and have the same period over which to spread them. The right of the C.B.C. to define what a national party is, will, of course, be called into question, and the likelihood is that the organization has laid up a peck of trouble for itself. Because broadcasts are to be free there will be a rush of speakers, and those candidates who live in centres where there are C.B.C. broadcasting facilities will be favored as compared with those who live in constituencies where there are no such facilities.

The C.B.C. has decreed that, as well as doing so itself, all private broadcasting stations "must" carry the political broadcasts free of charge. The special committee of the House of Commons which last session held an inquiry into the C.B.C. reported to the effect that "your committee is also of the opinion that network political party broadcasting between elections should remain open to purchase, subject always to considera-

tions of fair distribution and programme planning." No suggestion was made as to free time being given during election campaigns, and the subject was not raised as a matter of policy by the C.B.C. Obviously, however, presumably with the sanction of the minister responsible, free political broadcasts have been contemplated for some time. A fifteen-page brochure issued by the C.B.C. is found necessary to explain its new policy, which is described as an effort to insure that "the vast and incalculable medium of broadcasting will remain at the disposal of the nation, regardless of considerations of party, section, class or creed." That is, of course, a matter that will be tested in one way when free electioneering broadcasts are launched.

A CONFUSION OF "ISMS"

The Drumheller Plaindealer, published in a Province of chaotic political thought, admits it is becoming more baffled than ever; says, indeed, that it is "a veritable babe in the wood" at the moment. It is the New Democracy movement that has led to its bewilderment. It alludes to a principle of Social Credit, as laid down by Major Douglas, to the effect that the movement "can have no alliance with Socialists, Communists or trades unions. Now it finds representatives of all these throwing in their lot with the New Democracy movement, foregoing their former allegiance and engaged in a love feast. It has found even the Communists "showing willingness to make the supreme sacrifice rather than disrupt negotiations." Those Communists, too, have called Social Credit delegates to a New Democracy meeting in Drumheller "progressive." The Plaindealer alludes to Social Crediters pleading for unity with Labor, with the C.C.F., with the trades union movement, all in defiance of Major Douglas' dictum, and despite the fact that for the last four years in Alberta the Communists and Labor have been denouncing Social Credit as Fascist. Small wonder that The Plaindealer is bemused. There has rarely, if ever, been such a somersault in political opinions.

There is the case of Premier Aberhart himself. One of the tenets of Social Credit, as he sees it, has been to denounce Communism, the C.C.F., the old-line political parties and politicians generally. Mr. Aberhart has subscribed to the New Democracy. What he has failed to do, so far, is to call nominating conventions to choose candidates who will espouse the movement, and yet that was the plea made by its leader, who regards Mr. Aberhart as one of his chief lieutenants. What remains to be discovered about the New Democracy movement is the extent to which it is political. It becomes so the moment it puts candidates in the field—it then constitutes itself as a new political party in the electioneering arena. It wishes very much to dissociate the movement from the name of party, yet it cannot escape, for it is caught in the toils of its own making once it goes to the hustings; and unless it goes the movement will die a-borning. Mr. Aberhart hesitates, however, in being instrumental in supporting any but Social Crediters, with that cognomen, as aspirants for parliamentary honors. The question then will arise as to whether such candidates would be Social Crediters first and New Democrats afterwards, and for which economic theory they would expend their energies.

The Plaindealer of Drumheller is not alone in being bemused over present-day political trends. The truth of the matter is that the country is rent and racked by isms at a time when it should be organized, conserved and consolidated to meet a crisis which so many statesmen see as a cloud becoming bigger than a man's hand on the international horizon.

Reading and conversation may furnish us with many ideas of men and things; yet it is our own contemplation and meditation that must form our judgment.

—Coates.

FUNERAL NOTICE
Members of Victoria Columbia Lodge No. 1, A. F. & M. B. C. R. are requested to meet at the Masonic Temple, Fourth Street, on Wednesday, August 9th, at 1:30 P.M., to attend the funeral of our late brother Arthur Henry Ashmore Bird.
Members of other lodges and neighboring brethren in good standing are invited to attend.
By order of the Wor. Master, CHARLES NICKERSON, Secretary.

GERMAN DESERTERS ESCAPE FROM JAIL

SAINT JOHN, N.B., Aug. 7 (CP)—Three German seamen, bound for deserting the freighter Wandavek at Newcastle, N.B., June 26, and awaiting deportation to Germany, escaped from the county jail here today.
The men, captured at McAdam, N.B., several days after leaving the Wandavek, were Gunter Vadder, eighteen; Rolf Gunter, twenty-five; and Herbert Stewski, nineteen.
Vadder was to have been taken today to Digby, N.S., where officials planned to put him aboard the

freighter Wilhelm Traber for transportation back to Germany. Gunter and Stewski were awaiting deportation on another German boat.
The three were kept in two cells on the ground floor of the jail. A turnkey found both cell doors open this morning and two bars of a corridor window were seen through.

Commercial Softball

Commercial Softball League games started this week are as follows:
SENIOR, WEDNESDAY
Abies Aces vs. Harris' Cyclists, Lower Central, Sayer.
JUNIOR, WEDNESDAY
Bryant's Aces vs. Royal Oak, Hampton Road.
SENIOR, SATURDAY

JUNIOR, SATURDAY
Winner Bryant's Aces vs. Royal Oak vs. Equilmalt A.A., Victoria West Park; H. Tooby and A. Simpson.
Games commence at 6:15 o'clock.

Rinks Start Play In Annual Tourney At Victoria Clubs

Greater Victoria Lawn Bowling Association Meets Under Way at Beacon Hill and Burnside Greens — Alderman Okell and President Robertson Officiate — Competition Keen

By W. H. YOUNG
Ideal weather, splendid greens and an abundance of enthusiasm combined to make the opening day of the annual tournament of the Greater Victoria Lawn Bowling Association one of the most successful in the history of the sport on Vancouver Island, and because of this, those responsible for the management of the function have every reason for satisfaction, as well as elation.

Added to this, the splendid form displayed by a majority of the contestants had a marked effect in placing everybody in the best of good humor, so that when time for closing arrived last night, a spirit of optimism permeated the lawn bowling fraternity.

At the greens of the Victoria Lawn Bowling Club, and those of the Canadian Pacific Club, the usual opening formalities were observed. At the former, Alderman Okell acted in the stead of His Worship the Mayor, while at the latter, President D. Robertson performed the necessary functions.

At the greens of the Burnside Club, the usual formalities were carried out by one of the best-known members of that organization in the person of J. W. Mercer.

The day was devoted to competition for rinks during the morning and afternoon, while the evening was taken up with play in the singles events. Thirty-eight rinks participated in the day's main event, and but two of them succeeded in keeping their record intact, these being the rinks skipped by W. Davidson, of Burnside, and George Fairley, of the Terminal Club, Vancouver. There was one, the combination skipped by W. Rickson, of Cumberland, which scored three wins and was tied for one, while eight other rinks suffered but one loss each.

OUTSTANDING GAMES
Outstanding games were those played by Fairley, of Vancouver, and Davidson, of the Burnside, and the latter showing special good form in his defeat of Marconini in the final game of the day. In this latter contest there was witnessed some of the best bowling in the history of the game on the Island, and the victorious quartette has every reason to experience pride because of the splendid work of its members.

Today will be devoted to the completion of the contest in the rinks competition for men and women, while the singles games will hold sway in the evening.

Following are results of events staged yesterday:

REG. FLEMING LEADS DERBY

Lands Biggest Fish at Brentwood Bay—Tillicum Event Sunday

Hooking a twenty-five pound two-ounce fish approximately two hours before the final minute for weighing, Reg. Fleming carried off top honors in the monster fishing Derby Sunday at Brentwood, staged under the capable direction of officials of the Victoria-Saanich Inlet Anglers' Association. The winner landed his catch at 4:05 o'clock in the vicinity of Cole Bay. More than 400 anglers took part in the event and the bay was crammed with fishing craft from early morning until 6 o'clock, the zero hour for weighing in.

"Cooney" Jones took the second prize of a sixty-four-piece dinner set, while a salmon weighing twenty-four pounds and seven ounces, which Len Holyoak was third on the list, with one twenty-two pounds and eleven ounces to take an electric cake mixer and fixtures. Mrs. Tommy Ward was the lone lady to weigh in, with a winning specimen of a twenty-pound seven-ounce specimen and received the fourth prize of a silver tea set and also qualified her for a bronze trophy. Bringing in a nineteen-pound three-ounce fish, W. Muller took the fifth award, and B. Kallenback was next with a seventeen-pounder.

Campbell Forbes, well-known Rugby player, and Jack Lenfesty took seventh and eighth prizes, respectively, while the consolation was won by Dave Lewis and Mrs. D. Wilson.

HAD TROUBLE LUCK

Eric Marshall really won the Derby with his twenty-eight-pounder. He was headed for the weighing in station when his companion's line got tangled with his, where the entanglement was over it was too late to weigh in his big catch.

Mayor Andrew McGavin presented the various prizes, including the fifteen-foot fisherman's boat to Fleming. He was introduced by Harry Woolston, president of the association.

Next Sunday at Brentwood the Tillicum Athletic Club will hold its annual Derby. The event is open to all fishermen and the same conditions will govern the big Derby. The anglers' association will be in charge of the event and a number of big prizes are now in display in the Tillicum Club corner of Douglas Street and Pandora Avenue.

BRUCE HOBBS IS BACK IN SADDLE

LONDON, Aug. 7 (CP).—Bruce Hobbs, American-born jockey, whose back was broken in a fall during a hurdle race, February 11, 1938—the year he rode National-upset predictions today he'd never come back. Apparently fully recovered, he did a smooth job aboard Poor Duke in the Kingston Optional Hurdles at Newmarket, bringing him in fifth, despite a near-tumble when his mount was balked by a fallen horse. Poor Duke's number was thirteen. "I feel fine," Hobbs grinned after the race.

Announcements

Contrary to the thought that "it is dangerous to touch a mole," sometimes it is far more dangerous to allow it to remain. Certainly it is dangerous to tamper or experiment with it, but to have it removed by means of electrolysis is absolutely safe. Some kinds of moles may be harmless, others very distinctly are not. Anyway they are a foreign substance that the wise man or woman would be only too glad to be rid of. Miss Hanman, telephone G 7642, 503 Scollard Bldg.

Nanaimo Kennel Club Dog Show, Saturday, August 26. Judge J. A. Meadows. Entries close August 17. For premium lists apply the Secretary, 420 Chelsea Street, Nanaimo, B.C.

City and District

Breaking Attempt—An attempt to enter the Gorge Vale Golf Club early on Sunday morning was reported to Esquimalt police.

Jewelry Stolen—Oak Bay police reported yesterday that the home of M. Eley, 2807 Lincoln Avenue, had been entered some time Sunday evening, and two gold watches and jewelry had been stolen.

Fined for Traffic Offences—Seven motorists were fined \$2.50 each in the city police court yesterday for violations of traffic rules, and two pedestrians were each fined \$1 for failing to observe traffic signals.

Made Honorary Colonel—Hon. P. M. MacPherson, Minister of Public Works, has been made honorary colonel of the 19th Field Ambulance company, it was announced during the week-end.

Given Remand—Robert Watson, who appeared in the city police court yesterday morning charged with theft of an auto, and possessing stolen goods under the value of \$25, was remanded until next Monday.

Fewer Births—Eighteen fewer births were registered in British Columbia during June, as compared with the corresponding month last year, the figures being 1,089 and 1,107, respectively. Deaths totaled 606, as compared with 532, and marriages 656, as against 631.

Issuing Summonses—It was announced at the Saanich Municipal Hall yesterday that summonses have been issued in the names of twenty persons who failed to pay their current road and poll taxes. It was stated that this was the start of a campaign against tax evaders in the municipality.

Called to Fire—Two grass fires, one on St. Charles Street at 11:09 a.m. and the other at Montreal and Quebec Streets a few minutes later, were attended by the Victoria fire department yesterday. A roof fire at 901 Fairford Road was put out by the department shortly before noon.

Fair Attendance—Of the 6,189,000 persons who have attended the San Francisco World's Fair to date, \$12,000 have viewed the British Columbia exhibit, and 180,000 have registered at the British Columbia office at the fair, according to tele-

ton won from D. C. Macdonald and A. Laundry, 6-2.

Social Activities and Notes of Personal Interest

Wedding in Vancouver Attractive

VANCOUVER, Aug. 7 (CP).—Mary McBean (Mollie) Bell-Young, daughter of Mr. and Mrs. Henry Bell-Young of Vancouver, was married in St. Paul's Anglican Church on Saturday to Mr. Edith Jurgensen, son of Mr. and Mrs. Carsten Jurgensen of Nordborg, Denmark. Ven. Sir Francis Heathcote officiated.

The bride, granddaughter of the late Captain Henry Pybus and Mrs. Pybus, and the late Mr. and Mrs. H. O. Bell-Young, wore a quaint period gown of white French net. The bouffant skirt featured a quintette of frills and the fichu neckline of the bodice was accented with a pink beaded camo.

An all-white motif was used in the church, the altar massed with Lillium Auratum. Gladioli, sweet peas and snapdragons decorated the chancel rail and showered from tall standards.

The bride's two sisters, Mrs. James Rankin, of Victoria, and Miss Wendy Bell-Young, and Miss Jane Kirkland, attended. They wore Empire dresses of blue net over tulle. Mr. Ralph Shaw was best man; while Mr. H. P. Bell-Young, Mr. Roderick Bell-Young, of Vancouver, and Mr. Monty Russell, of Seattle, acted as ushers.

A garden reception was held at the home of the bride's parents, where the bride's mother received in navy blue. White flowers were on her large navy hat and she wore gardenias and tuberoses in corsage.

For the honeymoon in California, the bride changed to a tailored frock of beige crepe and beige coat with matching fox collar. Mr. and Mrs. Jurgensen will live in Vancouver.

KILLED BY CAR

SUDBURY, Ont., Aug. 7 (CP).—The body of a woman aged between twenty-five and thirty years, killed when struck by an automobile driven by Eric Makl, of Sudbury, last night, was identified today as that of Annie Jaaskalainen, of Broder Township. Makl is charged by police with reckless driving.

Clubs-Societies

Pythian Sisters
There will be no meetings during the month of August of Capitol City Temple No. 35, Pythian Sisters. The Temple will resume its activities on September 12.

Emmanuel Circle

The regular meeting of the Women's Mission Circle of Emmanuel Baptist Church took the form of a picnic at the Willow Park. The president, Mrs. M. A. Bancroft, was in charge. The devotional period was taken by Mrs. Block, the topic being "The Master Key, the Cross of Love." Mrs. J. B. Ferguson related the current events in the mission fields, dwelling particularly on the life of the late Mrs. John McLaurin, who died recently after spending seventy years in India. Mrs. William Russell, who has just returned from Winnipeg, where she attended the convention of Baptist Churches in Western Canada, reported on the women's work of the Baptist Union, embracing all the missionary activities of the women and girls from Winnipeg to Victoria. At the conclusion of the business session, the meeting adjourned to the tea room, where a social time was spent, the tea table being presided over by Mrs. D. M. Thomson and Mrs. O. H. Cogswell.

Daughters of St. George
Victoria Lodge No. 83, Daughters of St. George, met recently with Mrs. J. Lomas in the chair. A banquet will be held at the Hudson's Bay Company on Friday at 6 p.m., in honor of visitors from Seattle, Portland and Nanaimo lodges. Members wishing to attend are asked to telephone Mrs. Gurney at E 4638.

Daughters of St. George
Owing to the absence of the secretary, Mrs. E. Morrish, members of Princess Patricia Lodge No. 238, Daughters of St. George, who intend to take the trip to Seattle on August 15, are asked to notify the president, Mrs. E. Duncan, by telephone E 1344 not later than tomorrow.

Sooke W.A.
The Women's Auxiliary to the Canadian Legion, Sooke, will hold a garden party tomorrow, at 2:30 p.m., in the grounds of Mr. and Mrs. P. Thornber. There will be a home-

Will Open Party Tomorrow

MRS. C. T. BEARD

Beard, 3615 Cadboro Bay Road, tomorrow afternoon from 2:30 to 5:30 o'clock. Mrs. Beard will open the party at 2:30 o'clock. The garden party affair is under the general convener'ship of the president, Mrs. D. Muir, assisted by the executive.

cooking stall and entertainment for the guests.

Rebekah Lodge
The regular meeting of Colfax Rebekah Lodge will be held this evening at 8 o'clock in the Odd Fellows Hall. Visiting members will be welcome.

TUDOR HOUSE PICNIC

An enjoyable picnic was held on Sunday at Elk Lake by the staff and friends of the Tudor House Hotel. A good programme of sports was run off under the management of C. Jasper, the novelty races especially causing much merriment. Captain J. Malloy presented the prizes to the various winners. After the sports, a softball game was played, the team captained by W. Gouge defeating that of A. Blair. The committee in charge included Mr. and Mrs. W. Gouge, Messrs. A. Blair, M. MacBride and C. Jasper.

GIRLS' DRILL TEAM PLANS DANCE FRIDAY

On Friday evening, the Victoria Girls' Drill Team will act as host at a dance in the Chamber of Commerce auditorium.

The unit, which recently returned from a successful appearance at the San Francisco Exposition, and is now busily engaged in preparation for Autumn engagements, is anticipating the opportunity to meet friends and supporters at this social function.

A small but energetic committee, working on the dance plans, is composed of Misses Mary Whyte, Jean Munro and June Jardine. Dancing will be from 9 until 1 o'clock and featured entertainers will appear with a five-piece orchestra.

Walkin, Victoria; Ronald Hewat, Nanaimo; Mr. and Mrs. N. Lester, Lewiston; Mr. and Mrs. E. W. Gill, San Francisco.

ENGAGEMENTS

ELLIOTT-BIANCO
Mr. and Mrs. J. G. Bianco, 1152 Pembroke Street, announce the engagement of their eldest daughter, Laura, to Mr. Wilfred Elliott, younger son of Mrs. H. Elliott, Cadboro Bay. The wedding will take place on October 10.

GAGNON-BENALLACK
Mr. and Mrs. M. Benallack, 531 Constance Avenue, announce the engagement of their eldest daughter, Beatrice (Bea) to Mr. William Gagnon, eldest son of Mr. and Mrs. Gagnon, Fraser Street. The wedding will take place at St. Paul's Naval and Military Garrison Church, at 8 o'clock on September 6.

Witty Kitty

Money may be the curse of the universe but a lot of people wouldn't mind if it just mildly touched them.

Concert to Be Given in Part Again

An interesting programme of orchestral and vocal numbers has been arranged for the concert to be given in Beacon Hill Park tomorrow evening at 8 o'clock, by the Victoria Philharmonic Orchestra Society under the leadership of Alfred Prescott.

The assisting artists will be Miss Winnifred Applegate and Thomas Crabbe. Both these vocalists are well known to Victoria audiences, having appeared in previous open-air concerts at Beacon Hill.

The following is the programme of orchestral numbers: Overture, "Marriage of Figaro" (Mozart); first movement from "The Unfinished Symphony" (Schubert); selections from "The Student Prince" (Romberg) and "Three Dances from Henry VIII" (German). Special arrangements for sound amplification from the bandstand have been made, assuring all who attend an opportunity to hear the music under the best possible circumstances.

This is the second of three evening concerts to be given in Beacon Hill Park under the sponsorship of the B.C. Electric Railway Company. The third will take place on August 23.

Women's Institutes

SOUTH SALT SPRING

The monthly meeting of the South Salt Spring Institute was held recently at the home of the president, Mrs. Robert McLennan, who was in the chair. The financial report showed the sum of \$58.25 in the bank. Plans for the Fall Fair, to be held in the Community Hall, Fulford Harbor, on Wednesday, August 30, were discussed, and a committee elected to make all arrangements with regards to the music for the dance to be held in the evening. One baby blanket was presented to a member of the community during a month. A committee was appointed to arrange for the holding of the proposed St. John Ambulance and first aid classes in the Fall. A new member, Mrs. H. Pattison, joined the organization. The next meeting will be held at the home of Mrs. J. Cairns. Tea hostesses for the afternoon were Mrs. R. McLennan and Mrs. M. Gyves.

Salesman: "Here is a good shoe, sir. Last you a lifetime?" Customer: "That's the kind I'm looking for. I'll take a pair." Salesman: "Thank you, sir. Will one pair be enough?"

Cotton Frock That Really Slims

Pattern 4027

HERE'S a knowing style designed by Anne Adams to flatter the lines of a lady who's not as slim as she once was. Pattern 4027 is one of the easiest tasks you've ever set a sewing needle to, with no waist-line seam. Cut in just a few simple pieces, the entire front and back of the dress itself may be made on the bias—an especially good idea if you are using a gay checked or striped fabric. Attractive yokes shape the lines of the cool square neck with darts just below that release roomy freedom throughout the bodice. Make short puffed sleeves with trim little cuffs, or a loose, flaring style. And use bright ric-rac or crisp ruffled trim on yokes, sleeves and roomy pockets.

Pattern 4027 is available in women's sizes 36, 38, 40, 42, 44, 46 and 50. Size 36 takes 3 1/2 yards 35-inch fabric; 2 1/2 yards ruffling. Send 20c in coins for this Anne Adams pattern. Write plainly, size name address and style number. Send your order to Pattern Department, The Daily Colonist, Victoria, B.C.

To Compete In Air Race September 2

LONDON, Aug. 7 (CP).—Mona Friedlander, twenty-five-year-old millionaire's daughter, who has aided in anti-aircraft tests by flying nightly over London as a "target," has entered the King's Cup air race on September 2. She is the only woman entrant who will fly her own plane.

Miss Friedlander is captain of the Englishwomen's ice hockey team here. "She also rides—plays tennis and is an expert skier."

"But flying is the thing I like best in the world," she says, "and there is no romance in my life."

Risks Life Trying To Rescue Dogs
VANCOUVER, Aug. 7 (CP).—Fireman J. D. Corbett nearly lost his life today when he attempted to rescue two dogs from a fire in the basement of a house here.

Corbett rushed into the cellar and was nearly overcome by smoke and heat. He was forced to turn back and collapsed as he reached safety on the main floor.

The animals perished.

INSULTING BEHAVIOR FOLLOWED BY FIRES
LONDON, Aug. 7 (CP).—Twenty-nine persons were fined from 5 to 20 shillings in Wimbledon police court today for participation in demonstrations last night featured by cries

CONSTIPATION DULLS YOUR BRAIN

You can't think clearly when constipation keeps you feeling heavy and headachy. Millions of people make sluggish out of their intestines by eating food that fails to supply the right kind of bulk. Get back to regular bowel movements. Add Kellogg's ALL-BRAN to your diet. ALL-BRAN helps to form a soft, "bulky" mass that gets at the cause of common constipation. Start today on this easy routine. Eat ALL-BRAN for breakfast; drink plenty of water. Feel alert once more!

ALL-BRAN MAKES YOU BRIGHT AGAIN

Made by Kellogg in London, Canada. At your grocer's.

GIVES TALK ON PLANET MARS

Gordon Shaw Says Astro-
nomical Body May Be
Inhabited

A distinct possibility that there may be life on the planet Mars was seen by Gordon Shaw, in a lecture on the subject, "Mars, Our Neighboring Planet," at a meeting of the Victoria Centre of the Royal Astronomical Society in Victoria College last night.

The address was the third of a series of Summer lectures that is being sponsored for the Victoria public every Monday evening at Victoria College. The series will last until the end of August.

Mr. Shaw said that some of the most competent astronomers of recent years, among whom was the great Percival Lowell, of Arizona, had been of the opinion that Mars was inhabited by conscious and intelligent beings. Lowell, who devoted his career to study of the planet from the Lowell observatory, had based his conclusions partly on the fact that the telescope revealed a number of canals, which ran in geometrically straight lines across the surface of Mars, and seemed to be the work of human intelligence.

INTELLIGENT BEINGS
If Mars was inhabited, Mr. Shaw said, "we would expect its residents to be of a higher order of intelligence than we are, since Mars' period of evolution being long before that of the earth."

Of all the planets in the solar system, Mr. Shaw stated, Mars was the only one apart from the earth, which gave definite evidence of possessing an atmosphere which would support life. Some of the other planets have atmospheres, but they were composed of substances like carbon dioxide and ammonia, which would prevent the evolution of living organisms. Venus has an atmosphere, but it seems to be one composed of fine dust, without any trace of oxygen.

In other respects, Mars is similar to the earth, the speaker stated. It is considerably smaller, having a diameter of 4,220 miles, as compared with the earth's 7,920 miles. Its period of rotation is slightly greater than that of the earth, being 24 hours, 37 minutes, 22.3 seconds. Its year is nearly twice as long as the earth's, the planet taking 687 days to complete one revolution around the sun.

Following the address, there was an open discussion and question

period, after which observations of Mars were made through telescopes on the college lawn.

LIBERALS ENJOY ANNUAL OUTING

Five hundred members of the Saanich and Esquimalt Liberal Associations, with their families, attended the annual picnic held at the Goldstream Hotel on Saturday. Sports, free refreshments and music broadcast over a public address system were features of the afternoon.

A full sports programme made it possible for all who wished to compete, and excellent prizes were awarded the winners. Highlights of the sports programme was the challenge softball game between Esquimalt and Saanich, which Saanich won by a 14-10 score. A men's tug of war competition was won by Esquimalt in two straight pulls, and a women's tug of war also went to the Esquimalt team in two straight pulls. In addition, races of all kinds were run off, with young and old participating.

Special provision was made for the kiddies during the afternoon, with quantities of ice cream, lollipops and watermelons being distributed. The public address system, which provided musical recordings during the intermissions, was supplied by the British Columbia Sound System, under the sponsorship of Tergeon Bros. Recordings were loaned by David Spencer Ltd.

The SNAPSHOT GUILD CHOOSING THE NEW CAMERA

For Sharp Pictures of Fast-Moving Vacation-Time Games, You'll Need a Camera With High Shutter Speeds. A Fast Lens Is Helpful, Too, When Light Conditions Are Adverse.

ABOUT this time of year—with especially with vacations in the offing—many of us feel the need of a finer camera, with greater picture-taking ability.

A fine camera is about as easy to operate as any other, once you are familiar with it. But there is a difference in usefulness between the finer camera and the inexpensive model. Under adverse conditions, especially on dull days or with moving subjects, the inexpensive camera is handicapped. It may fail to get the very picture you want most. But under the same conditions, the fine camera performs capably—insuring good pictures within much wider limits.

In choosing your finer camera, consider these points carefully, so that you can select a model which exactly fits your picture-taking needs.

If you want to be able to take pictures outdoors under all daylight conditions, bright or dull, early morning or late afternoon, choose a camera with a fast lens—an f6.3 f4.5 or faster. For night snapshots by ordinary electric light, without

"flood" lamps, get a camera with f2 lens. If "flood" lamps are used, a slower lens will do.

If you want to take pictures of moving subjects—or those likely to move—choose a camera which has a precision shutter with high speeds. A shutter speed of 1/400 or 1/500 second is needed for sports and fast action shots; 1/200 for moderate action, and 1/100 for snaps of slow action or subjects such as babies or pets which may move suddenly and unexpectedly.

Some camera shutters now have built-in self-timer devices, which enable you to appear in pictures taken by yourself. Naturally, the self-timer is an advantage in a vacation or family camera.

Now for picture size. If you expect to have your pictures printed as contact prints for album use, don't choose a camera that takes too small a picture. If, however, you plan to make enlargements, it's safe to pick a camera in the "miniature" group. And, if you want to take full-color transparency pictures, for large-size projection on a home screen, a miniature camera is just what you need.

It's wise to obtain your finer camera well in advance of your vacation and practice using it. Since these fine cameras are precision instruments, see that yours receives proper care. If treated well, such a camera will give long and meritorious service—service that far outweighs its cost. Just ask the camera hobbyist who owns one!

—John van Guilder.

MANY "DON'T'S" ON BRITISH LAW BOOKS

LONDON, Aug. 7 (AP)—British researchers, digging into murky statute books, have discovered it is illegal in Britain to:
Eat a meal of more than two courses.
Hold a prize fight.
Speak Welsh (but there are 70,000 persons who speak nothing else).
Attempt "to make one of His Majesty's subjects teetotal."
And, under the statute of Northampton, drawn up 611 years ago, the forfeiture of a man's "armour to the King's pleasure and also his body" legally can be demanded.
"ABOUT 80 LONG!"
"We all know that anglers must be allowed a certain amount of latitude," says a writer. Not to mention, I suppose, longitudes.

MARION MILEY SETS RECORD

Shoots Sensational Golf in Heading Qualifiers in Western Tourney

DETROIT, Aug. 7 (AP).—Marion Miley, of Lexington, Ky., blazed to a new course and qualifying record as she paced a field of 14 competitors in the thirty-third annual closed championship of the Women's Western United States Golf Association at the Oakland Hills Country Club today.

Miley, winner of the Western in 1935 and 1937, shot 37-37, 74. Her score eclipsed by one stroke the previous qualifying record of 75 set by Mrs. Opal S. Hill of Kansas City in the 1937 tournament at St. Paul. Women's par is 78, and the course record until today was 77, held by Edith Babcock, of Dubuque, Ia., who played with Miss Miley and shot an 82 to qualify handily.

Five shots behind Miss Miley was Eleanor Dudley, long-hitting Chicagoan. Third place was held by Beatrice Barrett, of Minneapolis, who faded to a 43 on the inward nine after equaling the medalist's card on the outgoing route.

Weighing-In Ceremonies and Winner of Fish Derby

Weighing in a twenty-five-pound and two-ounce salmon, caught in the vicinity of Cole Bay, Rex Fleming carried off top honors in the big fishing Derby held Sunday at Brentwood by the Victoria-Saanich Inlet Anglers' Association. "Cooney" Jones was second with one over twenty-four pounds, and Len Holyoak with a twenty-two-pound four-ounce catch. Fleming took the first prize of a fifteen-foot fisherman's boat. More than 400 anglers took part, and many salmon of smaller poundage were weighed in during the day. On the left is the part of the large crowd watching the weighing-in ceremonies. George Laird is seen officiating at the scales, while Secretary Dave Cook is looking on in the center of the picture. Lee Halberg is at the public address system, telling the crowd the weight of the various salmon.

Gasmen Turn Back Athletics, 7 to 5, in Rithet Cup Series

Pitzer & Nex Ball Tossers Take One-Game Lead Over A's in City Baseball Championship Play-Downs—Fred Acres Hurls Good Ball

MANAGER Bert Nex's rampaging gasmen, hot on the trail of the Athletics in the Rithet Cup, tonight took the city baseball championship and the historic Rithet Cup, caught up with the A's last night at Royal Athletic Park and handed them a 7-5 setback in the first game of the best-of-seven series.

Tomorrow evening at the Caledonia Avenue ball lot the clubs will meet in the second battle of the championship play-downs. Lloyd Carr, Athletics ace hurler, who pitched Victoria to a 1-1 draw with the colored House of David last Saturday, will parade to the hillcock for the leaders. Young Leslie Leonard, pitcher, will do the heavy work for Pitzer & Nex. The game will start at 6:15 o'clock.

Gordon Jones' triple in the fifth frame with the cushions loaded paved the way to victory for the gasmen. With the cushions populated and two men out via the strikeout route, Jones laced out a three-bagger and sent Bert Acres, Ralph Coles and Fred Acres wampering across the plate.

Athletics bagged three markers in the second frame, but Pitzer & Nex knotted the score in their half of the next inning, and then added a trio of markers in the fifth. A's replied with two runs, and were unable to catch the gasmen in the abbreviated contest.

ACRES IN FORM
Fred Acres, slightly-built young Pitzer & Nex hurler, who shared the honors with Louis Leonard in the preliminary play-downs against the Eagles, hurled last night and turned in a grand performance. He let the Athletics down with five scattered base blows and was master of the situation all evening.

Ray Matland, big right-hander, started off in grand style, but lost his control in the third inning and bumped into a lot of trouble. He had difficulty finding the plate and tossed a high ball against the grandstand when issuing an intentional walk to John Murray, Pitzer & Nex third sacker. Lorne Murray, a brother, scored from third on the wild pitch.

Matland stayed in the box after a few conferences between Manager Tommy Restell and Sonny Walker, but was finally yanked in the fifth when Jones tripled with the sacks loaded. Walker took over the heavy and pitched no-hit ball for two and one-third frames.

Mrs. H. Rayment Shoots Well at Ontario Meeting

LONG BRANCH RIFLE RANGES, LONG BRANCH, Ont., Aug. 7 (CP).—Mrs. Jean Dunbar Rayment, of Victoria, only woman in the four-day militia matches of the Ontario Rifle Association, scored a 48 today in "A" class of the City of Hamilton match, to take fourteenth place in an entry list of 200 men.

Mrs. Rayment, daughter of Brigadier-General J. S. Dunbar, of Victoria, has been competing in British Columbia rifle matches for seven years, but this is the first time she has competed in the East. She will shoot in Ottawa this year in the Dominion of Canada Rifle Association meet.

The crack woman sharpshooter is eligible for all but the military matches here, being a member of the British Columbia Rifle Association. She is also a member of the Canadian Scottish Rifle Association, Victoria.

DALKEITH IS RACE WINNER

Jockey Jackson Pilots Favorite to Victory at Lansdowne Park

VANCOUVER, Aug. 7 (CP).—Jockey Ralph Jackson today piloted the favorite, Dalkeith, to victory in the fifth and feature race at Lansdowne Park here.

Sable Gift, a 10-to-1 shot, was second, and Wracia, second choice was third.

The winner paid \$4.45, \$3.50 and \$2.45 for a \$2 pari-mutuel ticket. Sable Gift returned \$7.85 and \$3.95, and Wracia paid \$3.

Sable Gift set the early pace and maintained a clear lead until near the seventy-yard pole, when Dalkeith whisked down the outside to win going away.

Peneley, owned by Major Austin C. Taylor, of Vancouver, poked her nose in front at the wire to win the British Columbia Futurity Trial, the fourth race, to pay \$9.55, \$3.10 and \$2.20. Scotia's Pride was second, and Betty's Choice, third.

The daily double, Rich Boy, in the first, to Chief Pilot, in the second, returned \$21.55.

FIRST RACE—Five and one-half furlongs. Rich Boy (South) 10-20 14-10 12-50. Pride and Joy (Young) 5-15 2-50. Strath Beauty (Sport) 4-45. Time, 1:13.5. Also ran: Fiddle De De, Dr. B. and M. and Mac. Time Ball. Modern Maid, Mountmellick, Louie Dear, Cliff Lad.

SECOND RACE—Six furlongs. Chief Pilot (Millman) 10-20 14-10 12-50. Mimi (Millman) 5-15 2-50. Wracia (Sport) 4-45. Time, 1:13.5. Also ran: Tommy Dean, Rich Boy, Dr. B. and M. and Mac. Time Ball. Modern Maid, Mountmellick, Louie Dear, Cliff Lad.

THIRD RACE—Five and one-half furlongs. Chief Pilot (Millman) 10-20 14-10 12-50. Mimi (Millman) 5-15 2-50. Wracia (Sport) 4-45. Time, 1:13.5. Also ran: Tommy Dean, Rich Boy, Dr. B. and M. and Mac. Time Ball. Modern Maid, Mountmellick, Louie Dear, Cliff Lad.

FOURTH RACE—Five and one-half furlongs. Scotia's Pride (Grassie) 10-20 14-10 12-50. Betty's Choice (Grassie) 5-15 2-50. Wracia (Sport) 4-45. Time, 1:13.5. Also ran: Tommy Dean, Rich Boy, Dr. B. and M. and Mac. Time Ball. Modern Maid, Mountmellick, Louie Dear, Cliff Lad.

JOCKEY SOUTH PASSES AFTER TRACK MISHAP

Well-Known Rider Dies Following Accident at Lansdowne

VANCOUVER, Aug. 7 (CP).—Jockey Walter South, one of the outstanding riders on British Columbia tracks this season, was thrown when his mount fell over another horse in the third race at Lansdowne Park today, and died an hour later in hospital from head injuries.

Under contract to Drigger Brothers, of New Mexico, South was riding Bellos, owned by Dr. L. H. Appleby, of Vancouver, for whom he also rides regularly. Red Rock Farm's Act Two, ridden by Jockey Griffin, stumbled and fell on a turn and South was unable to pull up his second favorite to avoid the pile-up.

South, who scored a victory in the first race on today's programme aboard Rich Boy, was a veteran of United States racing circuits, and campaigned in Canada for the first time last year at Winnipeg.

He piloted Jeff's Pride, owned by the Driggers, in every start this year, establishing two records at Brighouse Park here and winning the British Columbia Handicap at Longacres in Seattle a few weeks ago. He was scheduled to ride the horse in the \$10,000 Longacres Mile later this month.

South's widow is expected to be released from another hospital here later today after recovering from an illness. Besides Mrs. South, the jockey is survived by three children.

WASHINGTON PARK

WASHINGTON PARK, Aug. 7.—Results here today follow:

FIRST RACE—Five and one-half furlongs
Marble (Rollins) \$2.00 \$2.00 \$2.00
Rino (Durando) \$2.00 \$2.00 \$2.00

PLAY-OFFS TO OPEN TONIGHT

New Method Laundry and Longshoremen Will Meet At Athletic Park

Victoria Longshoremen and New Method Laundry senior, softball teams will open their best-of-five championship series this evening at Royal Athletic Park, at 6:15 o'clock.

Stevardes finished at the top of the standings, and have been idle while the laundrymen were busy polishing off Douglas Tire. With the tiremen eliminated in straight games, Laundry squad are ready to face the freight jugglers in the final series.

CHINESE WIN
Playing at Central Park, Chinese Recreation Centre softballers defeated The Times, 6-3, in a Peden Cup knockout fixture. Long, on the hill for the winners, pitched five-hits ball, and was accorded excellent support by his chummates.

Score by innings:
Times 000 000 003—3
C.R.C. 000 001 503—6

PURITY'S TRIUMPH
Hammering out nine home runs, Hill's Purities trounced Diamonds, 46-7, in a Women's League game played at Central Park. Freda Effa led the sluggers with three homers, while May Medler, Joyce Foster and Peggy Sigman each clouted two four-base hits.

Score by innings:
Diamondettes 112 002 1—7
Hill's Purities 27-151 486 4—46

Love Interest in Drama

Margaret Lindsay and Ronald Reagan, Who Supply Romance as Well as a Helping Hand to the "Dead End Kids" in "Hell's Kitchen," Which Will Open Today at the Dominion Theatre.

At the Theatres

"HELL'S KITCHEN"
IS AT DOMINION

AMUSEMENTS

On the Screen
Atlas—"The Hound of the Baskervilles," starring Basil Rathbone.
Capitol—"Second Fiddle," starring Sonja Henie.
Columbia—"Suez," starring Tyrone Power.
Dominion—"Hell's Kitchen," with Margaret Lindsay.
Oak Bay—"The Kid From Texas," with Dennis O'Keefe.
Plaza—William Powell in "Star of Midnight."

Entertainment of the sort that is guaranteed by the inclusion of the "Dead End Kids" in the cast of any picture is provided by them in heaping measure in their latest Warner Bros. production, entitled "Hell's Kitchen," which will open today at the Dominion Theatre. They have come to stand for a splendid combination of exciting, melodramatic action and uproarious humor, and that is just what they supply in "Hell's Kitchen."

Of course, they have plenty of adult as well as juvenile aid, particularly in the person of the gravel-voiced Stanley Fields.

The romantic interest is capably handled by Margaret Lindsay and Ronald Reagan, and this well-teamed pair also have their share in furthering some of the melodramatic moments.

PLAZA Teamed on the screen theatre for the first time in their screen careers, William Powell and Ginger Rogers have roles of a brilliant New York attorney and a young society girl, respectively, in "Star of Midnight," in which they are co-starred by R.K.O. Radio at the Plaza Theatre.

COLUMBIA "Suez," now at the theatre Columbia Theatre, is a spectacular drama of Ferdinand de Lesseps and the building of the canal that is the jugular vein of the world. Tyrone Power, Loretta Young and Annabella share top honors in the film.

CAPITOL In "Second Fiddle," which shows for the last time tonight at the Capitol Theatre, Sonja Henie skates to Irving Berlin's music for the first time. Six new songs fill this film and show film audiences what real entertainment with music can be. Sonja Henie is starred with Tyrone Power and Rudy Vallee and Edna May Oliver head the featured cast.

BRIGHT GIRL
A man advertised for a girl to do light housework.
Next day he received a letter from a girl who said she would like the position. She thought the man was kidding her, but she wanted to know where the lighthouse was situated.

SERGT. CARR SHOOTS WELL

Veteran Victoria Marksman
Misses Possible by a
Point in Ontario

LONG BRANCH RIFLE RANGES, LONG BRANCH, Ont., Aug. 7 (CP).—Corporal G. Collins, of Toronto, won first prize money of \$20 in "A" class of the Bankers' Match, feature of today's programme at the Ontario Rifle Association meet, scoring 69 out of a possible 70. The match was fired on two ranges, 200 and 500 yards, with seven rounds on each range.

Three other marksmen posted 69's. Sgt. G. S. Carr, of Victoria; Corporal H. D. Whitehead, of Toronto, and C.S.M. G. M. Finsley, of Toronto, but their shots were not as well placed as Collins'. They took second, third and fourth prizes, respectively, and the four will shoot off tomorrow for the O.R.A. Silver Cup. Among those who scored 68's was Chief Petty Officer J. A. Betts, Victoria.

Cadet Gilmour Bos, fourteen-year-old son of Lieut. James Bos, of Toronto, a former Canadian Bisley team member, captured the Bankers' Match "B" class championship with a 68 out of a possible 70.

In "B" class of the City of Hamilton Match, the O.R.A. bronze medal went to Cadet H. C. Holm, Hamilton Central Collegiate, with a 48. Cadet B. W. Saturday, Rainbow Sea Cadets, Victoria, was second, also with a 48.

COMPLETE RESULTS
Results and placings of British Columbia competitors were:
City of Hamilton Match (ten rounds at 200 yards)—Class "A": 2, Lieut. J. W. Blair, Vancouver, 49; 3, Sgt. P. M. Gibault, Vancouver, 49; 14, Mrs. Jean Rayment, Victoria, 48. Class "B": 2, Cadet R. W. Saturday, Victoria, 48.
Bankers' Match (seven rounds at 200 yards and seven at 500)—Class "A": 2, Sgt. G. S. Carr, Victoria, 34-35-69; 13, Lieut. J. W. Blair, Vancouver, 34-34-68; 15, Chief Petty Officer J. A. Betts, Victoria, 35-33-68; Class "B": 5, Sgt. A. E.

Biddlecome, Vancouver, 31-34-65; 6, Bandsman W. R. Chandler, Vancouver, 32-33-65.
President's Match—Class "A": 12, Lieut. J. W. Blair, Vancouver, 48.
1939!

MANUFACTURERS ISSUE BOOKLET

Brochure Describes Tobacco Industry—Immense Benefit to Canada Stressed

An interesting booklet has been issued by the Imperial Tobacco Company of Canada, Limited. Under the title of "A Visitor's Impressions," the brochure is largely the account of a trip through the plant, written by a well-known newspaperman, giving his impressions of the huge industry which gives employment to thousands of Canadians.

From the rearing of the tobacco plants in the fields of Ontario, through the storage sheds where it lies to mature, through the processes of blending, purifying, tempering and finally to the precision mechanism that turns out the familiar brands of tobacco and cigarettes, the story is graphically told.

The model conditions under which the employees work, the immense contribution the industry pays to the Government, the payroll that runs into millions, these are facts which open the layman's eyes to the important part the humble cigarette plays in Canada's cycle of trade and commerce.

Chal Body of Yours
JAMES W. BARTON, M.D.

SOMETIMES THE HEART DOESN'T NEED MUCH REST

An intelligent, middle-aged man who had been told some years previously that he had heart disease—a leaking valve—decided to take life much easier and went to bed for an hour each afternoon after returning from his teaching duties. He retired promptly at 10 o'clock and remained in bed till 8 o'clock the next morning—ten hours. It became necessary for him to undergo operation for hernia and he felt that with the

shock of operation he had better take a six months' rest. And to this rest he settled away, at a health resort, conscientiously believing that his heart needed extra rest following shock of operation. He did not even discuss the matter with his physician. At the health resort he met a friend to whom he told his whole story. The friend pointed out that a heart murmur need not mean a serious condition and pointed out further his mistake in not consulting his physician before giving himself up to the life of an invalid. The patient admitted that he did not get out of breath easily and there was no swelling of the feet. The friend advised that he should have his heart examined.

A heart examination revealed the heart murmur but not the slightest enlargement of the heart. He was able to go up and down twenty steps with an increase of only twenty beats of the heart and the heart was back to normal in less than two minutes.

The physician gave him his findings and also sent a copy to the patient's physician. His physician wrote the patient to get up and around and increase his daily exercise—walking—by at least one block each week. Instead of a life in bed for six months to a year, this man was able to resume work in three months and really could have done so in one month less.

The thought then is to judge the heart by the amount of work it can do and how long it takes to return to its normal rate after doing a measured amount of exercise. The fact that there is a murmur present can be forgotten if the heart returns to normal within a specified time. Usual test is to walk upstairs, or jog fifty steps stationary run, or sit on heels twenty-five times. If heart returns to its normal rate in two and a half to three minutes, the murmur, even if due to a leaking valve, is not interfering with the heart's ability to work.

A doctor declares that the healthiest and happiest men he ever came across were a group of Canadian lumberjacks. Hale fellows well met, as it were.

SHOULD ASSUME SCHOOL COSTS

Nanaimo Council Would Have Province Take Over Education Costs

NANAIMO, Aug. 7.—The City Council tonight unanimously passed a resolution to be forwarded to the Union of British Columbia Municipalities for consideration at their next convention at Harrison Hot Springs, requesting the Provincial Government to remove the educational system from the sphere of civic budgets and assume it as a direct moral and monetary obligation.

Speaking to the resolution, Alderman J. Kerr compared amounts received by municipalities since 1933 up to the present time for liquor profits, setting forth drastic reductions and in some cases being cut off entirely. Municipalities were supposed to share the different taxes when they were first imposed.

"We have been robbed right and left, and now it looks as if the Government intends to take the whole thing away," declared Alderman Kerr. "It naturally has to be made up by city taxpayers."

The council, on motion of Alderman Drake, instructed the city engineer and water committee to investigate the possibility of buying property in the "Tree" swamp on the waterworks line for reservoir purposes, for use when the new waterworks pipeline is completed, and which he predicted would be finished soon.

TO ACCEPT GRANT

A recommendation of the council in committee as a whole passed, that the city take advantage of a \$21,800 Government grant for labor costs on approved projects, for use in connection with Nanaimo City Club scheme to build an auditorium near Newcastle townsite bridge, which the council agrees will fill a long-felt need here.

The Blue Line Bus Transit Company will continue to operate here under a special six-months' license, pending consideration of the application of the Veterans' Sightseeing and Transportation Company for a ten-year franchise to operate here. It was stated at the meeting.

Addressing the council, H. L. Sangster, of Victoria, told the board he believed the procedure was to take a municipal plebiscite to determine if the people were in favor of his company continuing here under a ten-year franchise. It would be later taken up by the Government for ratification.

He said that he had received no complaints during the six months' trial period just ended, but had received general praise. Once the franchise was obtained new equipment at an approximate outlay of \$40,000 would be put into operation here.

NANAIMO PIONEER TAKEN BY DEATH

Mrs. Sarah J. Bray Had Resided At Coal City For Eighty Years

NANAIMO, Aug. 7.—Death claimed one of Nanaimo's earliest pioneers today—Mrs. Sarah Johnson Bray—who passed away on her birthday at the age of eighty-two. Mrs. Bray arrived in Nanaimo with her parents in 1859. She was the first white child born in a district between Springfield and Columbo, California, where her parents settled for a short time while they were en route to Nanaimo from England. She also lived in the first boarding house in Nanaimo. It was built by her father on Pileux Street, close to an old mine situated there at that time. She first lived in log cabins where the present Court House building now stands, and on the Crescent. She was prominently associated with the Anglican Church here in her youth.

Mrs. Bray was the widow of Marshall Bray, for years Government Agent here. She is survived by two sons: William "Bud" Bray, Nanaimo, and Harry Bray, Vancouver barrister; and one grandson, Marshall Bray, Vancouver. Also surviving are two brothers: Joseph Randle, Five Acres, Nanaimo, and ex-Alderman Arthur Randle, of Nanaimo, now resident in Vancouver; and four sisters: Mrs. P. C. Morgan, Vancouver; Mrs. J. A. Kenhead and the Misses Emily and Elizabeth Randle, all of Victoria. The remains rest at Jenkins Chapel.

CASTLES GOOD-SHELTERS

GLASGOW, Scotland, Aug. 7.—Those centuries-old castles which nobody seemed to want have found a new use among Britons—they make ideal wartime shelters mainly because they generally are isolated in strategically unimportant areas.

Rub YOUR ACHES AWAY

with Minard's, the famous rubbing liniment, swears off muscular and joint soreness, stiffness and pain. Use it generously. It's greasy, has no unpleasant odor, dries quickly. Use it for dandruff and skin disorders, too. Get a bottle at your drugstore today. Keep it handy on your bathroom shelf.
